### **Miri -Mulu National Park (B)**

#### **DAY 01 DEER & LANG CAVES**

Arrive in Mulu airport in the morning and transfer to standard rainforest room (or equivalent) for check in. In the afternoon, proceed to Park Headquarters and enjoy a scenic 3km plankwalk through primary rainforest to the entrance of Deer Cave. Deer Cave has the world's largest cave entrance and is the largest single cave passage in the world - about 120 - 150 m in diameter, or it can fit St. Pauls' Cathedral under its massive archway. The cave has a moon-like landscape and from one vantage point, a perfect profile of President Lincoln can be observed. Most evenings at sundown, a spectacular exodus of about 2 million of bats can be observed as they leave the cave in search of food. Next to Deer Cave is Lang's Cave. The stalactites and stalagmites inside this cave are representative of the very best limestone formations in the park. Trek back to the Park H.Q. by torchlight. Return to your accommodations for overnight.

**Own arrangement for meals today (L&D)**

**DAY 02: CLEARWATER & WIND CAVES (B,L)**

In the morning, proceed by longboat upriver to Wind Cave with its impressive 'King's Chamber'. A short walk along a plank walk suspended from the limestone cliff leads to Clearwater Cave, boasting a wonderful swimming area shaded by giant rainforest trees. Enjoy a picnic lunch, swim, relax and explore the caves before returning to the resort. Free at own leisure. Many optional adventure caving & trekking options available on premises. Overnight at your accommodation.
